CAMPERSHIP APPLICATION

It is our desire at Camp Hebron that everyone be able to attend Summer Camp or Retreat Programs regardless of their financial situation. Camperships are typically offered at **ONE HALF OF THE COST** of a program with the hope that the family will personally cover the initial \$50 deposit and a home church or similar outreach organization will contribute towards the remaining balance.

- Campership applications alone do not ensure enrollment in a program. If a campership is awarded, registration enrollment must be made for camper within 10 days of notification with a non-refundable \$50 deposit. Responsibility to make enrollment is not Camp Hebron's responsibility.
- Camperships for Summer Camps are due by **MAY 31st** (*late applications will be accepted pending fund availability*).
- Mail or e-mail forms to address listed at the bottom of the page, "ATTN: Campership" or info@camphebron.org with "Campership" listed in the subject line.
- Application will not be processed without one completed Advocate Form.
